The Team - Staffing:

Due to staff training we will be having some of the team in different home bases.

Amy will be having some **senior training**, so Kimmy will be running the baby room with the support of Safia and Amy will be covering half days. Kimmy has previous experience of working in the baby room.

Joshua will be running the upper nursery rooms with the support of Shannon and Emma & Kirsty.

Tamina is going away to get married from next week but will be returning in November. We all hope she has a magical time away.

We thrive on training the team to give them new knowledge and experiences.

Bright Stars Library:

Please come and borrow a book to share with your child. We have a little library situated near the office. Exploring books with your child daily has a massive impact on their learning and development.
