**June 2018**

### **School Leavers...**

Can all school leavers including funded children give 4 weeks' notice in writing to the office. If children do not start school until later they are welcome to stay providing there are spaces but will no longer be funded so fees will apply.

### **Hot Weather...**

Now the nice weather is with us again we ask that you apply sun cream to your child before coming to nursery and supply factor 50 sun cream for us to apply during the session. We also ask that you supply hats and appropriate clothing and footwear for the weather.

### **Parent Consultations...**

Thank you to the parents who attended parent consultations last month. We hope you found these informative and welcome any feedback you might have. We will be holding consultations again towards the end of the year.

### **Mobile Phones...**

Please can we remind all parents/carers that mobile phones are **not** to be used in the setting for calls, texts or photographs. You will be asked to put them away if seen by a member of staff. This is for the safety and well being of all our children.

### **Photos...**

If you have ordered any photographs from the nursery photographer these should be delivered in the next few weeks. The dead line for ordering photographs is Friday 8<sup>th</sup> June.

### **Baby Days App...**

We recommend that all parents download the baby days app. This app is our form of communication with parents/carers. We post newsletters, and advise of events using this app. If you don't have it on your phone you could miss out on information. If you would like any help with this then please ask.

### **Term Dates...**
