The children will be busy making nice cards for one special person in their life. We would like to invite that person to join the children for some special time together in preschool either reading a story together, making necklaces together, making cards together, having snack together, or painting a picture together.

★ Your key person will give you an invitation to come along for a 10-minute consultation to share your child's/children's reports and learning journal so far. These meetings are very important. We hope that you can attend.

## ★ **Sports Relief!**

★ For four days this week the children will be learning about the importance of exercise and the effects it has on our bodies.

★ The staff and children will be taking part in a sponsored sports event in preschool during session. They will be counting jumps, skips, hops and many more. A sponsor form will be handed out to everyone.

★ Children can come in dressed in sports gear should they wish. Staff will wear spots tops too so they are comfortable doing exercises.

★ Get involved!!! We would love for you to get involved and sponsor your child. All monies go to <https://www.sportrelief.com/>
