

13th September 2019

A very warm welcome back to all our existing parents and to all the new children starting this term and their families.

It has been a quiet start to the term so far, which has given the staff the opportunity to talk to the children about their holidays and any new interests they may have.

We have lots planned for the Autumn term with many walks taking place, a trip, a picnic, an open day and a family fun day.

The core story this term is the Gruffalo. You may have already noticed the children making Gruffalo faces, dressing up, making playdough models and listening to the story.

We will be purchasing the DVD for the children to watch should they wish also.

The staff have been on home visits and working hard to settle the children in. This has been a huge success so far.

Please be reminded to bring in a change of clothes for your children and any other items that they may need, such as nappies, wipes and wellies.

Remember the children do get very messy at preschool so please dress them in clothes you don't mind getting dirty or stained.

Staff update

Katie and Rachel has been moved to our Bushfield setting and Jamie has been moved to our Paston one.

Provisional diary dates

Friday 27th September – Open day- if you have any friends or family that have a child ready for preschool please bring them along.

Friday 11th October – Picnic in the park – Parents are required to bring children and stay with them.

Friday 18th -Monday 28th October – Half term

Thursday 31st October – Halloween workshop/party

The office door is always open should you wish to pop in for anything.
