Our core story for this term is
'Tiger who came to Tea'.

We will be doing lots of exciting activities and children will be making and decorating cake for their snacks.

The book is easily available in different stores, even better if you borrow it for free from the local library.

Visit to Care Home & Library !

It is proven that intergenerational care has positive benefits for both, the children and the elderly people.

I am delighted to say that we will be making regular visits to Care home once a month.

We will also be making regular visits to the library to support Early Literacy.

Thank you very much for your continuous support ! 😊
