

# Stars Pre-School Parnwell

## Newsletter

30<sup>th</sup> January 2019

### Staff updates

After spending only a short time at Parnwell and 3 years with the company, Sophie is moving on to another placement. We will miss her bubbly personality in the mornings and the children especially will miss her playing with them.

Alix is also leaving us at half term moving on to new ventures. Alix has brought lots of imagination to Parnwell and I know her key children will miss her lots. I'm not quite sure how we will cope with the set up without her and her brilliant extension of activities.

We wish them both all the very best for the future.

We are to be joined by 2 new members of staff over the next few weeks and they will be a permanent part of our Parnwell team. Devika has started today and will be working alongside Alix for the next couple of weeks so she is able to take over her keygroup.

### Reminder

- Bring a change of clothes for your child in case they get wet or messy.
- Bring named wellies so children can explore the small garden
- Wrap up warm - Hat, scarves, gloves, vests and jumpers – outside is open all year round.
- No foods to be brought into preschool. We have several children with allergies. Foods need to be consumed outside.

### Water bottles

Each child has a star's water bottle. Please bring this daily filled with fresh water, then take it home and wash it ready for the next day. We are unable to store them at preschool as we are a pack away setting. We also do not have the time to wash all the bottles up. We have lots of unnamed bottles in the lost property, please look if your child has lost theirs. If your child doesn't have a stars bottle please speak to one of the staff members.

**Water play and messy play** is available every day, please send your child in clothes that you don't mind being messy, this means your child has had fun.

### Facebook

Please visit our Facebook page and click **like**. Once you've liked it press **follow** to receive daily updates on what the children have been doing.

You can also leave a review for us about your experience at preschool so far. We really do appreciate your input and feedback which enables us to keep improving. Please **share** our page with your friends.
